

# Finals Week Schedule – Fall Semester 2023

*Monday, 12/11/23 – Friday, 12/15/23*

The final week of Fall and Spring terms each operate on a *different schedule* than the rest of the term. One or more of your courses may meet at a different time, and possibly a different space, than the rest of the term during finals week. Dates and times of your class meeting during finals week will be provided to you in the syllabus you receive for each of your courses.

## Which courses meet during the final week of the term?

- All fully Face-to-Face courses which run through the end of the term *are required to hold an on-campus* final meeting.
- Hybrid, Mostly Online, fully online Synchronous, and Arranged Courses which run through the end of the term *may or may not* have an on-campus final meeting. Your instructor will inform you whether you will meet, and what required work you are expected to complete even if there is no meeting.
- As with the rest of the term, fully online Asynchronous courses *do not meet face to face* during finals week. Your instructor can inform you about any required work there may be during this time.
- Saturday courses, and courses with an end date before the end of the term, *do not meet* during finals week.

## Are there exceptions to the schedule for finals week?

Students are *expected to attend* final meetings when they are scheduled, with the following exceptions:

- You have *two final meetings* scheduled at the *same time*, or
- You have *three final meetings* scheduled in *one day*

If either of these apply to you, you are expected to *communicate with your instructor(s)* to identify a solution *at least three weeks* prior to the final week of the term.

If you cannot attend the required final meeting of the course during finals week for any reason, you must work with the instructor of the course individually to see if other arrangements can be made to reschedule or make-up the requirements.

## How do I know when my final meeting will be held?

Find the typical days and start times for each of your courses on the following page. Next to each you will see when your final meeting time will take place.

**Note:** If your course has both lecture and lab meeting sequences that differ from each other, your final will be *based on the lecture sequence*.

*Please contact your instructor if you have any questions not answered here, and welcome to Fall 2023!*
